

# FARE

Food Allergy Research & Education

## Join the FARE Patient Registry

### Your Unique Allergy Experiences Matter

The **FARE Patient Registry** works with researchers to turn your experiences into new treatments and better care for people with food allergies.

#### Step 1

Sign up online and create a confidential profile.

#### Step 2

Share your food allergy journey by completing online surveys.

#### Step 3

Stay in touch. Return to the Registry to share new experiences.

**FARE** is a non-profit that helps people living with food allergies. To find out more about **FARE** and join the **Patient Registry** please visit:
